Legal Education Board Memorandum Circular
No. 68, Series of 2020

SUBJECT: 31st National Convention of the Association of Law Students of the Philippines, Inc.

This is to circularize to all legal education institutions the attached invitation of the **Association of Law Students of the Philippines, Inc. (ALSP)**, for the 31st National Convention entitled “**Agsangskamaysa – United as One towards a New Norm in the Study and Practice of Law**” to be held on 31 October to 1 November 2020.

The national convention aims to provide an avenue to discuss the future of legal education in order for law students to have a deeper appreciation for the new trends in the study and practice of law. The goals of the convention are the following:

1. To remind law students that the legal profession is a noble calling and is a life-long advocacy, and not a business venture;
2. To provide a platform where law students can freely express their opinions and ideas regarding our current societal issues;
3. To provide a venue where law students can interact and engage in discussions with community leaders and prominent lawyers;
4. To create an opportunity for the law students and student governments to be recognized for their efforts in giving back to their communities and to inspire other law students to do the same; and,
5. To help law students build network with their fellow future legal professionals.

The Legal Education Board is encouraging all law students to participate in the convention. Please refer to the attached letter of the ALSP for the Registration Guidelines and Program Outline.

Thank you!
